### Shriram Properties posts modest 5% growth in net profit, touches ₹17.5 crore in Q1 FY25

Bengaluru-headquartered real estate developer Shriram Properties on August 14 posted a modest 5% growth in its net profit for the April-June quarter of the financial year 2024-25 at ₹17.5 crore. The company's net profit stood at ₹16.6 crore in the year-ago period, the regulatory filing showed.

Total income during the quarter ended June 30, grew 34% annually to ₹210.9 crore, from ₹157.2 crore in the same period last year, according to the regulatory filing.

Shriram Properties reported sales volumes of 7 lakh square feet and sales value of ₹376 crore for the three-month period.

"Industry demand remained a bit soft, amidst slowdown in customer decision making ahead of election outcomes, water scarcity in Bengaluru and unseasonal rains in Chennai during the quarter," the company statement noted, adding that the brand's decision to defer its launch in Pune to Q2 FY25, in view of prolonged approval processes, also impacted volumes.
